

Employee of the Month  
Nomination Form

**Your name:** Kim Street

**The name of the employee you wish to nominate:** Brian Larsen

**I nominate this employee for employee of the month because** of his heroic efforts during the removal of the driver, from a burning vehicle.

Officer Brian Larsen was dispatched to a traffic accident in which one of the vehicles involved was engulfed in flames.

Officer Larsen arrived on scene and discovered the driver of the vehicle to be conscious, breathing and on fire. Officer Larsen immediately exited his patrol vehicle and ran to the burning vehicle. He was the first to open the driver side door and he never left the side of the victim. He, along with other Lehi Police Officers on scene, used fire extinguishers on the driver to extinguish the burning clothes. Officer Larsen then stayed by his side and spoke with him, comforting him until the ambulance arrived. Officer Larsen remained on scene to assist detectives in processing the area.

Officer Larsen's actions were heroic. He did not hesitate in running toward a burning vehicle in order to save someone's life. His fast actions, quick thinking and compassionate professionalism are to be commended.

Chief Smith is very proud of Officer Larsen and feels very strongly about keeping our community safe and fostering the public's trust. The officers of the Lehi Police Department are trained and tested often in every aspect of serving, protecting and sometimes even saving the lives of those in our community.
